**ORDER**

Plaintiffs have issued 18 non-party subpoenas directed to former employees of Defendant Apache Corporation. As explained on the record at a September 29, 2023 oral hearing, the parties are ordered to jointly inform any unrepresented former employees that they should produce documents responsive to the subpoenas directly to Baker Botts. Baker Botts will review the documents and provide Plaintiffs all non-privileged documents (and a privilege log, if necessary) within five business days. If any unrepresented former employee fails to follow this instruction, Plaintiffs will not view the documents but will instead provide them to Baker Botts for review.

SIGNED this 29th day of September 2023.

A handwritten signature in black ink, appearing to read 'Andrew M. Edison', is written over a horizontal line.
